

Ashok Soota

Chairman and Managing Director
MindTree Consulting

THE MOST INNOVATIVE PEOPLE
AWARD FOR KNOWLEDGE INNOVATION

The World Innovation Theatre and its supporting partners are honored to present Mr. Ashok Soota, Chairman and Managing Director of MindTree Consulting with The Most Innovative People Award in Knowledge Innovation as a tribute to his:

The Most Innovative People Award for Knowledge Innovation will honor the creativity, compassion and community demonstrated by Ashok Soota in innovating MindTree Consulting, the nation of India and the society of entrepreneurs around the globe.

- **Foresight:** Bold ability to recognize the knowledge economy as an opportunity for his country and the world as well as for his inspiring foresight in encouraging the strategic management of knowledge innovation.
- **Courage:** Solid track record of upholding the vital virtues of innovation – confidence, compassion, humility, honesty, integrity and diligence as well as for his courage to lead by values, with integrity and supportive of openness, transparency and questioning within the organization.
- **Benevolence:** Indelible effect in imparting a sense of significance, community and meaning across all enterprises, departments and efforts as well as for his steadfast belief in developing people into knowledge leaders, both in his organization, and in the industry at large.
- **Connected Leadership:** Transformative force in building Mindtree Consulting as an interconnected knowledge ecosystem, led by ideas and nurturing of capacity through community collaboration and leadership development.
- **Execution Excellence:** Relentless execution and incredible effectiveness to transform and grow several enterprises into market leaders and to harness intellectual capital to innovate and generate profitable and sustainable economic value.
